

Doing business with Mike at Majestic Mortgage was a treat. Refinancing a home can be tricky with all of the things that are involved, but Mike sat down with me and took the time to explain all of the different programs and options I had available, which I appreciated greatly.

Not only did he explain everything, but he called me three days before my closing and told me how much money I needed for closing which was very close to what he told me when we first met.

I loved the fact that there were no surprises. Mike, thanks once again for the service you provided me, you went above and beyond!
