

Mike,

I want to thank you very much for all of your help with assisting Kristen and I in purchasing our first home. You were very informative in showing us the process of the loan application and you never missed a beat. We initially went to Chase Bank in hopes for a home loan and they weren't nearly as helpful as you were. Actually, we felt like we were just "in the way" when we sat down with Chase Bank. However, after meeting with you, we didn't even have to think twice about who we were going through with our mortgage company. Once again, thank you very much for all of your help and time. If any of our friends or family members are ever in the need for a mortgage, I will never hesitate to give them your name and number!!
