To Whom It May Concern:

My wife and I wanted to express how happy we were to work with Mike Vrba in obtaining a mortgage for our new home. He was very helpful with the entire process and made understanding it much easier. Anytime we had questions, Mike was never too busy to help and was very patient. He also stayed on top of everything, occasionally making courtesy calls to check in and see how we were doing and to help prepare us for what to expect next.

We were very impressed when we got to the closing table to find out that Majestic Mortgage goes above and beyond expectations when preparing all the documents. The realtor, attorney, and title company commented on how great of a job Mike and Majestic Mortgage does. Thanks to them closing was a breeze!

I highly recommend Mike to anybody who is looking to buy a new home or refinance an existing one. I will definitely use him again in the future.

Sincerely,

Jason & Sarah Ray
