Mike-

Thank you for all of your help in getting my mortgage approved and processed for my new home. I was extremely pleased with your attentiveness, attention to detail and the entire process from beginning to end. I often hear horror stories from other people about how difficult the process is, how the mortgage company didn't give them all the information they needed for their closing, etc. Working with yourself and Majestic was a completely enjoyable experience. You kept me informed of what to expect every step of the way, went over the closing process and costs at our first meeting and simply made the entire experience stress free and pleasant. I look forward to working with you in the future.

Sincerely,

John Romeo
