Subject: Thank you!

Hi Mike,

I wanted to take the time to write and let you know how much we appreciated all your hard work you did for us with our loan! Out of all the people we worked with through this process, from our lawyer to our realtor, you were the only one that did a fantastic job and the only one we did not have to continually follow up with. You did what you said you were going to do, when you said you would do it. We had complete trust in you and had no reason to worry if you would get something done or not! We would happily refer you to friends and family and we would definitely use you again (God forbid we have to move again)!!

Thanks again, it was great working with you.

Regards,
Kristy & Meni Bougiotopoulos
