Mike,

I just want to thank you for all of your help with getting our first home. Although it has been stressful with the whole pre-foreclosure debacle, but it could have been a whole lot worse. Yesterday's closing was so easy and stress-free. I only wish the Bears season would be as fun to watch as the new house excitement will be.

I'm sure I will be talking to you again soon. Once we have the house arranged the way we want, we will have a social gathering of sorts and will be sending you an invite to check out the new crib.

Take care,

Matt
