

I selected Majestic Mortgage because Mike Vrba came highly recommended by Nick & Amanda Pacelli and William & Susan Schuler.

The service aspect I liked best was the fact that Mike made my first home buying experience very pleasant. Mike was friendly and knowledgeable he explained everything in a matter that it was easy to understand. His numbers were right on, and having the correct figures well in advance of the closing eliminated any unpleasant surprises.

I would definitely do business in the future with Mike.
