

I was actually referred to Mike through one of my co-workers and had a great experience with him. What impressed me the most was that Mike took the time to sit down with me and breakdown the entire deal all the way from the payoff to the interest I would be paying on the new loan. I am a man of detail and really appreciated the service Mike gave to me. Any chance I get to refer Mike I do so.

A handwritten signature in black ink, appearing to read "Scott Eisfeldt". The signature is fluid and cursive, with a long horizontal stroke at the end.
