Mike-

"We don't consider ourselves to be very savvy with money matters, so after having Mike referred to us by our neighbors, we felt as though we were in good hands. Mike did a great job of breaking down the numbers to us, as well as explaining the process in terms that we were comfortable with. He was very patient in answering our many questions and always prompt in responding to emails. We are very satisfied in all that he did to help us to refinance and would not hesitate to recommend him to our family and friends."

Have a great Holiday!
