We recently purchased a home through the Majestic Mortgage Lender Service. We were very pleased with the experience. Mike Verba was our loan officer and he was absolutely amazing! He went over all the details with us thoroughly. He had our loan approval within three days and he also kept us informed on a regular basis.

Mike Verba outlined everything and made it a pleasant experience following the trials with the previous house. The realtor was also impressed with his service and punctuality. He kept them, the realtors, informed as well. The closing went great and the details had been explained meticulously. I would highly recommend Majestic Mortgage and especially Mike Verba. He is an outstanding loan officer. Thank you for all of your wonderful services.

Sincerely,

Mr. William and Anita Rogers
